Bug Fixes

No	Functions	Fixes
1	Files	When the space IP address restriction is set, it takes time to display the list if there is a lot of space under it
2	Files	Unable to get the URL of the space at the transition destination by pressing the link of the path from the search result
3	Search	Full-text search may not hit
4	PDF conversion	Change history may not be deleted
5	Public space	Unable to upload multiple files when viewing on mobile
6	Public space	When uploading after shooting while displaying on mobile, the file name will be fixed and will be updated after the second time
7	User Management	If you register with the old edition, the user management screen will be displayed with zero items
8	User Management	When the search result is one person, the invalid / valid of the user is not effective
9	User Management	If a user without the authority to change the organization updates my information, my organization may change
