Bug Fixes

No	Functions	Fixes
1	Files	If the browser is IE, increase display count on the space tree but it does not work
2	Files	File search does not work after displaying space selection tree for move / copy etc.
3	Public Space	Applied space is not correctly reflected when saving in the setting lifecycle setting
4	Lifecycle	In the public space displayed on the mobile browser, you can upload without entering a value for a required custom field
