Bug Fixes

No	Functions	Fixes
1	-	If you shut down your PC with the Fleekdrive desktop installed, you may see a pop-up.
2	Install	If you go to the sync tree selection screen immediately after setting up an account on the Fleekdrive desktop, the progress bar will appear and you will not be able to proceed.
3	Update	App crashes when "Run as administrator" with network drive as sync folder
4	Downlink synchronization	There is a problem getting the file size and it fails to get the file of the past version
5	Delete synchronization	Files added on the PC during the file deletion process that have not yet been up-synchronized will be deleted.
